One Hundred Years of Solitude  
Gabriel García Márquez. 2022-10-11 One of the twentieth century’s enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize–winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

The New Positioning: The Latest on the World’s #1 Business Strategy  
Jack Trout. 1997-05-22 In the same right-to-the-point, no-nonsense style that was a hallmark of Positioning, this sequel squares off against critical marketing challenges such as how to make sure your message gets through in an era of information overload.

Signs & Symbols  
Clare Gibson. 2001 This wide-ranging compendium traces symbolism to its ancient roots, examining a vast variety of symbolic images.

How Fascism Works  
Jason Stanley. 2020-05-26 “No single book is as relevant to the present moment.”—Claudia Rankine, author of Citizen “One of the defining books of the decade.”—Elizabeth Hinton, author of From the War on Poverty to the War on Crime NEW YORK TIMES BOOK REVIEW EDITORS’ CHOICE • With a new preface • Fascist politics are running rampant in America today—and spreading around the world. A Yale philosopher identifies the ten pillars of fascist politics,
and charts their horrifying rise and deep history. As the child of refugees of World War II Europe and a renowned philosopher and scholar of propaganda, Jason Stanley has a deep understanding of how democratic societies can be vulnerable to fascism: Nations don’t have to be fascist to suffer from fascist politics. In fact, fascism’s roots have been present in the United States for more than a century. Alarmed by the pervasive rise of fascist tactics both at home and around the globe, Stanley focuses here on the structures that unite them, laying out and analyzing the ten pillars of fascist politics—the language and beliefs that separate people into an “us” and a “them.” He knits together reflections on history, philosophy, sociology, and critical race theory with stories from contemporary Hungary, Poland, India, Myanmar, and the United States, among other nations. He makes clear the immense danger of underestimating the cumulative power of these tactics, which include exploiting a mythic version of a nation’s past; propaganda that twists the language of democratic ideals against themselves; anti-intellectualism directed against universities and experts; law and order politics predicated on the assumption that members of minority groups are criminals; and fierce attacks on labor groups and welfare. These mechanisms all build on one another, creating and reinforcing divisions and shaping a society vulnerable to the appeals of authoritarian leadership. By uncovering disturbing patterns that are as prevalent today as ever, Stanley reveals that the stuff of politics—charged by rhetoric and myth—can quickly become policy and reality. Only by recognizing fascists politics, he argues, may we resist its most harmful effects and return to democratic ideals. “With unsettling insight and disturbing clarity, How Fascism Works is an essential guidebook to our current national dilemma of democracy vs. authoritarianism.”—William Jelani Cobb, author of The Substance of Hope

_Oddball_ Sarah Andersen.2021-12-07 The newest Sarah's Scribbles collection from New York Times bestselling author and Goodreads Choice award winner Sarah Andersen. The fourth book in the enormously popular graphic novel series, the latest collection of Sarah's Scribbles comics explores the evils of procrastination, the trials of the creative process, the cuteness of
kittens, and the beauty of not caring about your appearance as much as you did when you were younger. When it comes to humorous illustrations of the awkwardness and hilarity of millennial life, Sarah's Scribbles is without peer.

**Dialogues of the Gods** Baudelaire Jones, Lucian Of Samosata. 2008-11 By the time of Lucian, popular religion had ceased to hold much influence over the hearts of the cultured classes. Philosophy was the new God, but there were efforts in some circles to divert men's minds from the philosophical sects and restore a sort of unorthodox faith in the old religion. Against this artificial revival of mythological faith, Lucian pitted the influence of his tremendous satirical powers. In the Dialogues of the Gods, he pulls the curtain aside-exposing the Gods as they engage in private disputes, domestic brawls, and love affairs, with their jealousies and scandals, their paltry strifes and petty motives. The lesson is simple: Can one worship beings with such weaknesses, such foibles, and such scandalous and immoral lives? This new translation by Baudelaire Jones breathes fresh life into ancient deities such as Zeus, Hera, Hermes, Aphrodite, Poseidon, and Athena, revealing complex, contradictory, sex-obsessed creatures that modern mortals can surely relate to.

**Upside Down** Eduardo Galeano. 2014-05-13 From the winner of the first Lannan Prize for Cultural Freedom, a bitingly funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable Memory of Fire Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in Upside Down, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a program of study about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in The Impunity of Power to a seminar on The Sacred Car--with tips along the way on How to Resist Useless Vices and a declaration of The Right to Rave--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, Upside Down makes us see the world anew and even glimpse how it might be set right. Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope. -Los Angeles Times, front page

**De vuelta** Diego Bernardini. 2015-09-01 Bernardini se anima a llamar a las cosas por su nombre: diálogos con personas que vivieron mucho, mayores, gente de vuelta. Graciela Fernández Meijide, Julio César Strassera, María Fux, Juan José Sebreli, Aldo Ferrer, Liliana Heker, Luis Felipe Noé y Eduardo Menem, entre otros, son los que no sólo vuelven la vista atrás para repasar cómo vivieron, sino que se refieren sin prejuicios a su vida a los 70, los 80, los 90 años. Un libro único. En algún sentido, un tesoro. Buena parte de los títulos que lo rodean en la mesa de la librería tienen que ver con el paso del tiempo, pero sólo Diego Bernardini se anima a llamar a las cosas por su nombre: diálogos con personas que vivieron mucho, mayores, viejos, gente de vuelta. Graciela Fernández Meijide, Julio César Strassera, María Fux, Juan José Sebreli, Aldo Ferrer, Liliana
Heker, Luis Felipe Noé y Eduardo Menem, entre otros, no sólo vuelven la vista atrás para repasar cómo vivieron, sino que se refieren sin prejuicios a su vida a los 70, los 80 y los 90 años. Con una expectativa de vida cada vez más extensa, nuestra obligación es prepararnos para vivir lo más plenamente posible, de punta a punta. Una selección de veintidós diálogos cuyos protagonistas suman mil ochocientos años. La consigna fue, en todos los casos, hablar sobre la experiencia de atravesar esa etapa de la vida. Una etapa en la que se suele, en general, idealmente, estar de vuelta, en el mejor sentido de la palabra. «El libro de Diego Bernardini viene a dar razón a aquello que las neurociencias formulan: que el envejecimiento normal del cerebro podría ser simplemente un proceso de optimización por el cual el ser humano se asegura que se conserven las reservas cognitivas necesarias. Lo que revela que la experiencia y la sabiduría de estas personas y de tanta otra gente verdaderamente 'mayor' hacen que, en esta carrera de conocer y de vivir, nos saquen una vuelta.» Facundo Manes

**Nonviolent Communication** Marshall B. Rosenberg.1999 Explains how to break patterns of thinking that lead to anger, depression and violence, transform potential conflicts into compassionate dialogues, speak your mind without creating resistance or hostility, hear whatever is said to you as a please or thank you, create greater depth and caring in your intimate relationships, and motivate with compassion rather than with fear, guilt or shame.

**The House of the Spirits** Isabel Allende.2015-12-15 The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

**Borges at Eighty: Conversations** Jorge Luis Borges.2013-06-26 A collection of interviews now available from New Directions for the first time The words of a genius: Borges at Eighty transcends our expectations of ordinary conversation. In these interviews with Barnstone, Dick Cavett, and Alastair Reid, Borges touches on favorite writers (Whitman, Poe, Emerson) and familiar themes — labyrinths, mystic experiences, and death — and always with great, throw-away humor. For example, discussing nightmares, he concludes,“When I wake up, I wake to something worse. It’s the astonishment of being myself.”

**The Diary of a Young Girl** Anne Frank.2002 In July 1942, thirteen-year-old Anne Frank and her family, fleeing the occupation, went into hiding in an Amsterdam warehouse. Over the next two years Anne vividly describes in her diary the frustrations of living in such close quarters, and her thoughts, feelings and longings as she grows up. Her diary ends abruptly when, in August 1944, they were all betrayed. First published over sixty years ago, Anne Frank's Diary of a Young Girl has reached millions of young people throughout the world. BBC TV's major new dramatization brings her extraordinary writing to life in a way that will engage and inspire a whole new generation. 'One of the greatest books of the last century' - Guardian
Women Who Run with the Wolves Clarissa Pinkola Estés Phd.1995-08-22 NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson’s Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In Women Who Run with the Wolves, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

The Presentation of Self in Everyday Life Erving Goffman.2021-09-29 A notable contribution to our understanding of ourselves. This book explores the realm of human behavior in social situations and the way that we appear to others. Dr. Goffman uses the metaphor of theatrical performance as a framework. Each person in everyday social intercourse presents himself and his activity to others, attempts to guide and control the impressions they form of him, and employs certain techniques in order to sustain his performance, just as an actor presents a character to an audience. The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions.

In the Time of the Butterflies Julia Alvarez.2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez’s In the Time of the Butterflies is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Alvarez’s new novel, The Cemetery of Untold Stories, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in
this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like In the Time of the Butterflies and How the García Girls Lost Their Accents winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, The New York Times Book Review This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

Confusion de Confusiones [1688] José de la Vega.1957 This book is the first that describes the practices of any stock exchange; it makes evident a high development of practices, with puts, calls, pools, and manipulations; and it appeared as early as the seventeenth century. Not inappropriately the stock exchange described is that of Amsterdam, a city which at the date of the volume’s publication —1688 — was still the leading financial center of the world. The book, to be sure, is hardly a systematic account of the institution; the author pursued moral, philosophical, and rhetorical objectives, and, while saying a lot that seems now to be of little value, manages somehow to leave unsaid a great deal that would be of interest for us. Nevertheless, it represents, even in its peculiar form, a really important source of information about the stock exchange, and indeed about the Dutch business world of that period.

A Kingdom of Flesh and Fire Jennifer L. Armentrout.2020-09-01 From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that’s one order she’s more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da’Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he’s the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she’s ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she’s far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very
heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolven are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

**Apprendere una lingua tra uso e canone letterario** Anna Polo, Ester Pietrobon. 2022-03-14 Il presente volume propone una riflessione sui modelli linguistici e letterari dell’italiano e dello spagnolo che a partire dal XVI secolo, momento fondamentale della codificazione delle lingue volgari, contribuiscono alla creazione di paradigmi metodologici ed epistemologici essenziali nei processi di insegnamento e apprendimento di una lingua. Partendo da un’analisi testuale che integri la prospettiva storiografica con quella filologico-letteraria, i saggi qui raccolti indagano la relazione tra norma, uso e auctoritates nei testi di riflessione teorica di ambito colto e nelle opere rivolte alla pratica didattica, sprovviste di un impianto teorico innovativo, ma fondamentali veicoli di circolazione e di mediazione grezza della riflessione metalinguistica elaborata nelle opere erudite. Il volume si divide in due sezioni: la prima dedicata alla riflessione sul canone e sugli usi della lingua, rivolta prevalentemente a un pubblico di nativi, la seconda dedicata agli strumenti e metodi per l’apprendimento linguistico da parte di stranieri.

**La segunda mitad** Diego Bernardini. 2019-09-01 La nueva longevidad no es vivir más, sino mejor, diferente, plenos, particípares e integrados. Y eso depende de los hábitos, los proyectos y la propia actitud. Diego Bernardini comparte su experiencia vivencial con personas mayores y propone su mirada de la vida. Muchas veces leemos que podríamos vivir hasta cien años y más también. Incluso ya hay quienes hablan de la inmortalidad del ser humano. ¿Pero qué hay de lo concreto de llegar, rondar y/o atravesar la barrera de los cincuenta? Una cifra simbólica, el medio siglo. Un momento en el que no somos mayores ni jóvenes y donde un horizonte real obliga a repensar nuestro porvenir. Una etapa en la que nunca es tarde para diseñar el proyecto vital. Un tiempo en el que, por primera vez, la longevidad es una experiencia colectiva. A casi todos les tocará transitarla. La nueva longevidad no es vivir más, sino hacerlo mejor, diferente, plenos, partícipes e integrados, y mucho de ello depende de los hábitos, los proyectos y la propia actitud. Diego Bernardini comparte su experiencia vivencial con personas mayores y propone su mirada de la vida, que junto a la evidencia científica se convierten en recursos necesarios para construir un camino para celebrar la vida hasta lo más tarde posible. ¡Bienvenidos a la segunda mitad! ¡Bienvenidos a la nueva longevidad!

**Faith’s Checkbook** Charles H. Spurgeon. 2017-01-03 Ask anything in my name, I will do it. (John 14:14) Charles H. Spurgeon supplies daily deposits of God’s promises into the reader’s personal bank of faith. He urges the reader to view each Bible promise as a check written by God, which can be cashed by personally endorsing it and receiving the gift it represents!

**Alive** Piers Paul Read. 2016-10-11 The #1 New York Times bestseller and the true story behind the film: A rugby team
resorts to the unthinkable after a plane crash in the Andes. Spirits were high when the Fairchild F-227 took off from Mendoza, Argentina, and headed for Santiago, Chile. On board were forty-five people, including an amateur rugby team from Uruguay and their friends and family. The skies were clear that Friday, October 13, 1972, and at 3:30 p.m., the Fairchild’s pilot reported their altitude at 15,000 feet. But one minute later, the Santiago control tower lost all contact with the aircraft. For eight days, Chileans, Uruguayans, and Argentinians searched for it, but snowfall in the Andes had been heavy, and the odds of locating any wreckage were slim. Ten weeks later, a Chilean peasant in a remote valley noticed two haggard men desperately gesticulating to him from across a river. He threw them a pen and paper, and the note they tossed back read: “I come from a plane that fell in the mountains . . .” Sixteen of the original forty-five passengers on the F-227 survived its horrific crash. In the remote glacial wilderness, they camped in the plane’s fuselage, where they faced freezing temperatures, life-threatening injuries, an avalanche, and imminent starvation. As their meager food supplies ran out, and after they heard on a patched-together radio that the search parties had been called off, it seemed like all hope was lost. To save their own lives, these men and women not only had to keep their faith, they had to make an impossible decision: Should they eat the flesh of their dead friends? A remarkable story of endurance and determination, friendship and the human spirit, Alive is the dramatic bestselling account of one of the most harrowing quests for survival in modern times.

**Social Neuroscience of Psychiatric Disorders** Facundo Manes, Mario F. Mendez.2017-05-22 Social Neuroscience of Psychiatric Disorders is about the role of the Social Brain in neuropsychiatry. The need to belong to social groups and interact with others has driven much of the evolution of the human brain. The relatively young field of social neuroscience has made impressive strides towards clarifying the neural correlates of the Social Brain, but, until recently, has not focused on mental and neurological disorders. Yet, the Social Brain underlies all brain-behaviour disorders, and nearly every neuropsychiatric illness involves social behavioural disturbances. This unique and ground-breaking volume is a major step forward in deciphering the impact of the Social Brain on neuropsychiatric disorders. Investigators evaluate neuropsychiatric disorders in the context of recent advances in social neuroscience to reveal the impact of social brain mechanisms on neuropsychiatric disorders and allow readers to glimpse the exciting potential advances in this field in the years to come. This book was originally published as a special issue of Social Neuroscience.

**No One Will See Me Cry** Cristina Rivera Garza.2003 Winner of the Mexico National Novel Prize, Sor Juana In s de la Cruz Prize, and IMPACT Prize Joaquin Buitrago, a photographer in the Castaneda Insane Asylum, believes a patient is a prostitute he knew years earlier. His obsession in confirming Matilde’s identity leads him to explore the clinics records, and her tragic history. He discovers that she was a peasant adopted by a doctor uncle. She led a calm life until Cstulo, a young revolutionary chased by the authorities, finds shelter in her home. Matilde's eyes are opened to the social upheaval will lead her to break with her uncle and hide out with Diamantina Vicari. Diamantina's death devastates Matilde so much that she
wanders about, completely lost, doing all kinds of jobs, including prostitution. As the photographer discovers more details, he becomes convinced that he and Matilde should live together. Ultimately, as they face defeat in a repressive society, they search to establish in the rubble an uncertain future that will somehow restore their freedom.

_Saturnario_ Rey Andujar. 2018-11

**Sinners in the Hands of an Angry God** Jonathan Edwards, FELIPE CHAVARRO POLANIA. 2019-08-15 Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

**Rosario Tijeras** Jorge Franco. 2011-01-04 Since they shot her at point-blank range while she was being kissed, she confused the pain of love with that of death. Rosario Tijeras is the violent, violated character at the center of Jorge Franco’s study of contrasts, set in self-destructing 1980s Medellín. Her very name-evoking the rosary, and scissors-bespeaks her conflict as a woman who becomes a contract killer to insulate herself from the random violence of the streets. Then she is shot, gravely wounded, and the circle of contradiction is closed. From the corridors of the hospital where Rosario is fighting for her life, Antonio, the narrator, waits to learn if she will recover. Through him, we reconstruct the friendship between the two, her love story with Emilio, and her life as a hitwoman. Rosario Tijeras has been recognized as an admirable continuation of a literary subject that was first treated by Gabriel García Márquez and then by Fernando Vallejo. A work in the Latin American social realist tradition, Rosario Tijeras is told in fast and vibrant prose and with poetic flourish.

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **De Vuelta Dia Logos Con Personas Que Vivieron Muc**
In some sort of inundated with displays and the cacophony of immediate communication, the profound power and emotional resonance of verbal artistry usually diminish into obscurity, eclipsed by the constant assault of noise and distractions.
